

# École K.B. Woodward

Learning and working together

March 3<sup>rd</sup>, 2017

Dear Parents,

The students of Division 2 will be walking to Gateway Station and taking the Skytrain to Science World on Thursday, March 9<sup>th</sup> 2017. This field trip will not only enrich the learning of your child, but it will also give them an interactive, engaging, fun, hands-on approach to science that will hopefully create memorable, personal experiences for the students. They will watch a science show, participate in a workshop, interact with all the science exhibits, and watch an iMax movie. This is a great chance for the students to apply what they have been learning in science with the real world.

**Location:** Science World – 1455 Quebec St. Vancouver, B.C. V6A 3Z7

**Date:** Thursday, March 9<sup>th</sup>, 2017

**Depart K.B. Woodward:** Students must be in class by 8:20am. We will depart promptly at 8:30am.

**Depart Science World:** ~1:30pm

Estimated time of arrival back to K.B. Woodward: 2:30pm

**Cost:** \$25

\*\*\*No student will be denied an opportunity to enrich his or her learning experience. If you are experiencing financial difficulty, please talk directly to Mr. Hong\*\*\*\*

All students should pack a lunch, as there is a designated area for them to eat.

We have room for a specific number of parents, so we will choose volunteers on a first-to-reply basis. Admission will be covered for parents, however, \$5 plus tax will have to be contributed to cover the cost of the iMax.

Thank you,

Mr. Redican and Mr. Hong

---

**RETURN BY MONDAY, March 6<sup>th</sup>, 2017!**

I, \_\_\_\_\_ give my son/daughter \_\_\_\_\_ permission to participate on the field trip to Science World on Thursday, March 9<sup>th</sup>, 2017.

Yes/No I would like to participate as a volunteer chaperone on this field trip.

\_\_\_\_ I have included \$ \_\_\_\_\_ to cover the cost for my child to participate on this trip (Admission, activities, and transportation)

\_\_\_\_ I have also included an additional \$ \_\_\_\_\_ to cover the cost of another child who is unable to afford the cost of the field trip.
